### Fayette County 4-H

The Fayette County Cooperative Extension Service through The University of Georgia sponsors the 4-H program. 4-H will meet in the classroom at school. Your child will be a member with no enrollment fees required.

Students will have opportunities to develop leadership skills through 4-H Officer Elections, develop public speaking skills

through classroom 4-H demonstrations and develop life skills through 4-H activities, events and community service projects.

Each month students will bring home a 4-H newsletter at the beginning of the month. Please encourage them to share the newsletter with you ASAP. There may be out of school activities the 4-H'er wishes to attend. These are limited and are on a first come basis. Call early! Thank you!
